THE BRITISH INSTITUTE OF PHILOSOPHY

Appeal for New Members and Donations

The Council appeals to members to do all in their power to introduce new members in order to extend the benefits of the Institute and to increase its revenue.

The Institute has no endowments, and its work, which includes lecture courses and meetings for discussion in the various Centres, as well as the conduct of the Journal, cannot be carried on from revenue derived solely from subscriptions of £1 1s. per annum. The Council, therefore, appeals for donations, small or large, from sympathizers with the Institute's aims.
